

*Revs Your Heart*

The **MT-15** is a pure-bred hyper naked, one of the most dynamic light weights from the MT stable.

It features relentless power and agility that allows you to enjoy full control of your machine. Every ride is pulse-filled with Yamaha technology derived from super sport bikes combined with strong torque and quick acceleration.

The impeccably styled with its bi-functional LED headlight gives the MT-15 an aggressive and intimidating look, which connect your soul to the beat of the engine.
