DNA

ALL NEW
AEROX 155 **VVA**
CONNECTED / ABS

The all new **AEROX 155 Connected / ABS** combines the concept of super sports bike & lifestyle. The true excitement of riding with optimum combustion meets various functional features, as well as a high performance engine. It is connected with a new 155cc single-cylinder SOHC engine with Variable Valve Actuation for higher power.

Casual, sporty, stylish and Instagrammable – it is a true trendsetter.
